YOUTH ACTIVE MEDIA

Sept. 2016 - present

*Staff Member*

Teaches youth video theory, how to use a DSLR camera for videography, and how to edit using Adobe Premiere Pro. Works for the organization's social enterprise to plan, shoot, and edit videos for different clients. Hired as Youth Lead during the summer of 2017 and planned the annual film festival that celebrates the videos that program graduates have created in the past year, in addition to the responsibilities of a staff member. In November 2017, co-presented at the Ottawa Community Foundation's New Leaf Community Challenge and helped win a fund of \$125,000 for Youth Active Media.

SERVICE CANADA

May 2016 - Aug. 2016

*Junior Usability and Feedback Officer*

Performed usability tests to better improve the user experience of the websites of different clients (within the government). Worked with the team lead and another team member to plan and organize the User Experience (UX) Discussion Forum. Prepared presentations for staff meetings, and mock-ups for multiple usability tests. Occasionally created mock-ups and infographics for usability testing purposes.

THE FULCRUM (uOTTAWA STUDENT NEWSPAPER) Aug. 2015 - Apr. 2016

*Webmaster*

Changed and updated the Fulcrum's website theme on Wordpress. Took care of any online problems that would occur. Taught staff how to use multiple plug-ins on Wordpress.
